B-968 GOSPEL READING: MARK 6:1-6

He departed from there and came to his native place, accompanied by his disciples. When the sabbath came he began to teach in the synagogue, and many who heard him were astonished. They said, "Where did this man get all this? What kind of wisdom has been given him? What mighty deeds are wrought by his hands! Is he not the carpenter, the son of Mary, and the brother of James, and Joses, and Judas, and Simon? And are not his sisters here with us?" And they took offense at him. Jesus said to them, "A prophet is not without honor except in his native place and among his own kin and in his own house." So he was not able to perform any mighty deed there, apart from curing a few sick people by laying his hands on them. He was amazed at their lack of faith.

We ask that you pray for our military personnel, and their families, serving in our armed forces. Among them are our own parishioners, and family members: Charles Berninger, Christopher Berninger, Michael DeCoeur, Michelle Geers, James Pritchett, Billy Schamber, David Sellers, Joshua Jambard, and Vincent Serafini.

MEDITATION:

Almighty God, renew in all of our people that first most cherished, freedom. Make us truly free by tethering freedom to truth and ordering freedom to goodness. Help us live our freedom in faith, hope, and love; prudently, and with justice; courageously, and in a spirit of moderation. Enkindle in our hearts a new sense of responsibility for freedom's cause. Make us ever-grateful for all those who have given their lives in freedom's defense; we commend their noble souls to your eternal care. Most of all, we thank you for the great gift of our beloved country. Amen!

~ Cardinal Timothy Dolan, archbishop of the Archdiocese of New York. Abbreviated.

- **Big Bend Catholics Caring for Creation:** We are all a part of creation and entrusted by God with its care. On Independence Day we celebrate the founding of our country on a democratic ideal — an equal voice for all. It is an ideal imperfectly realized but which we continue to pursue. In our system, equal voice translates to the right to vote and equal justice under the law. Implicit in this ideal is that all persons will be heard and treated with dignity. We must reject actions and ideas which threaten the rights of individuals and deny their intrinsic worth as human beings. Pope Francis talks about integral ecology, the idea that sustainability and social justice are inseparable: "...a true ecological approach always becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear both the cry of the earth and the cry of the poor." Laudato si', para. 49. Call Don Ruane at (239) 464-3429 or email ruanedon@aol.com for more information about BBCCC.
