1040 GOSPEL READING: LUKE 1:39-56

During those days Mary set out and traveled to the hill country in haste to a town of Judah, where she entered the house of Zechariah and greeted Elizabeth. When Elizabeth heard Mary's greeting, the infant leaped in her womb, and Elizabeth, filled with the holy Spirit, cried out in a loud voice and said, "Most blessed are you among women, and blessed is the fruit of your womb. And how does this happen to me, that the mother of my Lord should come to me? For at the moment the sound of your greeting reached my ears, the infant in my womb leaped for joy. Blessed are you who believed that what was spoken to you by the Lord would be fulfilled." And Mary said: "My soul proclaims the greatness of the Lord; my spirit rejoices in God my savior. For he has looked upon his handmaid's lowliness; behold, from now on will all ages call me blessed. The Mighty One has done great things for me, and holy is his name. His mercy is from age to age to those who fear him. He has shown might with his arm, dispersed the arrogant of mind and heart. He has thrown down the rulers from their thrones but lifted up the lowly. The hungry he has filled with good things; the rich he has sent away empty. He has helped Israel his servant, remembering his mercy, according to his promise to our fathers, to Abraham and to his descendants forever." Mary remained with her about three months and then returned to her home.

We ask that you pray for our military personnel, and their families, serving in our armed forces. Among them are our own parishioners, and family members: Charles Berninger, Christopher Berninger, Michael DeCoeur, Michelle Geers, James Pritchett, Billy Schamber, David Sellers, Joshua Jambard, and Vincent Serafini.

MEDITATION:

Through Mary of Nazareth, Christ is born again in the individual heart. "Blessed is the fruit of thy womb, Jesus," as we grow older, we understand that this "fruit" is the Life of Christ born again in the world. Our Lady is in heaven. In Heaven the music of the Incarnation is uttered eternally in its first simplicity. ~ Caryl Houselander. Abbreviated.

Yet, many communities are living without clean, safe water. We must uphold a sacred trust to protect water sources and to share water among all peoples and all of creation. Water is a human right, and water should always be available. Now, in a public health emergency, it is more crucial than ever that all peoples have access to basic sanitation.
