All Florida students are now eligible for state scholarships to our Catholic schools!

Call your local Catholic school for details:

- For the first time, all Florida resident students who are in Kindergarten-12th grade are eligible for a scholarship to attend private school. Scholarships may be limited, so it is important to act now and call you local Catholic school.
- While we do not know how much each scholarship will be worth for the 2023-24 school year, this year scholarships were worth an average of &7500 per student. The scholarship amounts will be released in July.
- All teachers are receiving Catechetical training, and we integrate the Catholic Faith into every subject; we call it Catholic Immersion.
- 8th grade graduates in our Catholic schools who spent five or more consecutive years with us are performing multiple grade levels above the national average on our standardized testing.
- Millennials are 7 times more likely to attend weekly Mass if they attended Catholic school!
- The average amount of scholarship dollars offered per high school graduate was &76,475 – almost double the cost for four years of Catholic tuition, a great return on investment!
- If a family wants to visit a school, please encourage them to call the school and call Mike Juhas-Superintendent -850-435-3540, with their name, so I can help facilitate the call.
