“God Spoke to “ME”

During the summer of 2021, The Lord spoke to me three times, while I was standing in front of my Home Altar.

The first time, I was praying the Rosary. My mind wandered as I hoped I would finish praying before my husband returned home. Then I heard a loud male voice say, “Slow Down”. This voice startled me so much that I turned toward it and listened. I was home alone!

The second time, I was again saying the Rosary. I had fallen into the habit of announcing the decade and meditating on it. As I said the prayers that followed, suddenly, a loud male voice said, “Meditate First”. Upon re-reading my Rosary Booklet, that was clearly stated, but I had forgotten it. Now, I meditate on the decade and think about what I’m saying while praying.

The third time, I heard this loud Male Vice, it said, “Feed the Hungry”. For two years, I had been asking the Lord what he wanted me to do. Now, that I had retired from teaching Religious Education, how could I serve Him? Feeding the hungry had never crossed my mind. However, this is something easy for anyone to do. One doesn’t have to drive to Tallahassee to find a soup kitchen to help. One just has to donate food or funds to help the hungry in our own county.

For many reasons, I have always believed in God. One who hears and answers our prayers. Now I hope that you do too!

May you be blessed with a Happy New Year!

“A FAMILY THAT PRAYS TOGETHER, STAYS TOGETHER”

Lord Jesus, be with my family. Grant us your peace and harmony, an end to conflict and division. Gift us with the compassion to better understand each other, the wisdom and love to assist each other, and the trust and patience to live peacefully together. Grant that, through the intercession of Your Mother, Mary and St. Joseph our family too may become a holy family, accepting each other, working together in unity, and selflessly dedicated to one another and to you. **Amen**

If you're spiritually alive, you're going to love this!

If you're spiritually dead, you won't want to read it.

If you're spiritually curious, there is still hope!

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday.

He wrote: "I've gone for 30 years now, and in that time I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time. The preachers are wasting theirs by giving sermons at all".

This started a real controversy in the 'Letters to the Editor' column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today.

Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, God is UP to something!

Faith sees the invisible, believes the incredible, and receives the impossible!

Thank God for our physical and our spiritual nourishment in the Holy Eucharist!

GOD AT ALL!**
